think course unions.
think volunteering.
think past tests.
think academics.

think student rights. *your* rights.

24. A *syllabus* is...

- a) a required outline of "term assignments, the date that each is due, lateness penalties, and the weight of each assignment in the marking scheme" of a course.
- b) an endangered species.
- c) something that can not be changed without the expressed consent of the students.
- d) all of the above.

That's the good thing about university, you learn something new every day. (Hopefully.)
