EDITOR'S NOTES:

Thank you to the all instructors who participated in the summer evaluation process and to all the students who took the time to fill out the forms. The Departments also play a big role in the course evaluation process and so, I would like to take this time to thank them as well. Finally, I would like to thank the Dean's Office for their continued support of ASSU projects.

To my co-worker Ranjini (Rini) Ghosh, thank you for ALL the work you did with these evaluations, from all the summarizing, to all the typing. This ANTI-CALENDAR could not be produced without your efforts!

I would also like to thank those ASSU Executives who helped out with the summaries - your work is greatly appreciated.

Generally, students thought Hammerlindl was a good instructor. He was approachable, prepared and had good class notes. However many complained that the tests/quizzes were too long and did not reflect the material in textbooks/practice questions. Students wanted more difficult examples to learn from.

Overall, students thought this was a "difficult" course.

PART-TIME STUDENT MOBILIZATION

Our current space is wonderfully suited to our members needs - it is attached to the part-time college, is child-friendly, has a kitchen, a beautiful front lawn and a large meeting space.

UofT has not even given us alternative space options according to our Sept 2009 Needs Assessment (i.e. avail on our website)!

APUS has been advocating for part-time students for over 40 years. We need you to stand up for your student union space and urge the university to ensure:

- 1. Space permanence for APUS in our New space at the Margaret Fletcher building**
- 2. No more downloading of the costs of buildings and operating expenses on students and users.**
- 3. Reject any plans to build on top of APUS' current building and front lawn.**
