Learn Exp	10	25	10	45	5	0	5	3.3

Most students felt that Loranger was clearly knowledgeable about the material and had experience from the field. However, they felt that she did not organize her lectures well, and as a result, students had a hard time connecting the lecture material to the readings and/or assignments.

Students found the workload very high for a 200-level half credit. There were too many assignments.
