ANTI-CALENDAR

published by the Arts & Science Students' Union

EDITOR'S NOTES:

Welcome to the 2012 Summer ASSU ANTI-CALENDAR. This edition includes the reviews of courses that were offered in the Summer 2012. This will be the last edition of Summer ASSU Anti-Calendar as all course evaluations have moved online and ASSU is no longer involved with the process.

Thank you to the all instructors who participated in the summer evaluation process and to all the students who took the time to fill out the forms. The Departments also play a big role in the course evaluation process and so, I would like to take this time to thank them as well.

To my co-workers and the ASSU Executive, thank you for helping with the packaging, delivering and summarizing the evaluations. Special thanks goes to Yoko for summarizing most of the evaluations and for typing this edition!
