To the Members of Arts & Sciences Students' Union University of Toronto:

Qualified Opinion

We have audited the financial statements of Arts & Sciences Students' Union University of Toronto (the "Organization"), which comprise the statement of financial position as at April 30, 2020, and the statements of operations and changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at April 30, 2020, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Qualified Opinion

The Organization derives revenue from sales and other miscellaneous income, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Organization, and we were not able to determine whether any adjustments might be necessary to these sources of revenue, excess of revenue over expenditures, assets and net assets for the years ended April 30, 2020 and 2019.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.
 Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Arts & Sciences Students' Union University of Toronto Notes to the Financial Statements

For the year ended April 30, 2020

1. Nature of the Organization

Arts & Sciences Students' Union University of Toronto (the "Organization") is the academic student union for full-time undergraduate students in the Faculty of Arts and Science at the University of Toronto. The Organization is dedicated to improve, and to provide services for the improvement of, the education and academic life of undergraduates in the faculty. The Organization is a not-for-profit organization under the Income Tax Act and accordingly is exempt from income taxes.

2. Significant accounting policies

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations set out in Part III of the CPA Canada Handbook - Accounting, as issued by the Accounting Standards Board in Canada, and include the following significant accounting policies:

Basis of accounting

The Organization follows the deferral method of accounting.

Financial instruments

The Organization recognizes its financial instruments when the Organization becomes party to the contractual provisions of the financial instrument. All financial instruments are initially recorded at their fair value, including financial assets and liabilities originated and issued in a related party transaction with management.

At initial recognition, the Organization may irrevocably elect to subsequently measure any financial instrument at fair value.

The Organization subsequently measures investments in equity instruments quoted in an active market at fair value. Investments in equity instruments not quoted in an active market are subsequently measured at cost less impairment. With the exception of financial liabilities indexed to a measure of the Organization's performance or value of its equity and those instruments designated at fair value, all other financial assets and liabilities are subsequently measured at amortized cost.

Transaction costs and financing fees directly attributable to the origination, acquisition, issuance or assumption of financial instruments subsequently measured at fair value are immediately recognized in the excess of revenues over expenditures for the current period. Conversely, transaction costs and financing fees are added to the carrying amount for those financial instruments subsequently measured at cost or amortized cost.

Financial assets measured at amortized cost include cash, accounts receivable and short-term investments. Financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

Impairment of financial instruments

Financial assets measured at amortized cost are tested for impairment when there are indicators of impairment. The amount of the write down is recognized in excess of revenue over expenditures. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in excess of revenue over expenditures.

Revenue recognition

Fee revenue is recognized when it is received and is available for use by the Organization. Sales of examination materials and miscellaneous items are recognized as earned when products have been released and paid for by the students. Other miscellaneous revenue which includes photocopying and rental of lockers is recognized when the service has been provided. Interest on bank balances is recognized as earned when credited by the financial institutions at each month-end.

Contributed services

Contributions of services are recognized both as contributions and expenses in the statement of operations when a fair value can be reasonably estimated and when the services are used in the normal course of the Organization's operations and would otherwise have been purchased.

Volunteers contribute significant time to assist the Organization in carrying out its mandate. Due to the difficulty in determining their fair value, these contributed services are not recognized in the financial statements.

Arts & Sciences Students' Union University of Toronto Notes to the Financial Statements

For the year ended April 30, 2020

2. Significant accounting policies (Continued from previous page)

Measurement uncertainty (use of estimates)

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures during the reporting period.

These estimates and assumptions are reviewed periodically and, as adjustments become necessary they are reported in excess of revenues and expenditures in the periods in which they become known.

3. Line of credit

The Organization has an overdraft line of credit amounting to \$15,000 with Alterna Savings ("Alterna"). The line of credit is subject to interest at 8.20% (2019 - 9.70%). As at April 30, 2020 and 2019, no amounts have been drawn on the line of credit.

4. Investment

Short-term investment consists of a quaranteed investment certificate earning interest at 2.05% maturing March 2021.

5. Accounts receivable

	2020	2019
Student fees receivable (i)	70,863	-
Recovery of course union advances (ii)	46,595	
	117,458	-

- (i) Amounts related to student fees were received subsequent to year end from University of Toronto.
- (ii) Unspent advances by course unions during the fiscal year was returned to the Organization subsequent to year end.

6. Commitments

As at April 30, 2020, the Organization was committed to an operating lease on certain equipment that provides for minimum lease payments of \$906 in 2021.

7. Budget

The budget amounts presented in these financial statements are unaudited and are not considered necessary for a fair presentation of the financial position or the results of operations of the Organization. They are provided solely for information purposes.

Arts & Sciences Students' Union University of Toronto Notes to the Financial Statements

For the year ended April 30, 2020

8. Financial instruments

The Organization, as part of its operations, carries a number of financial instruments. It is management's opinion that the Organization is not exposed to significant interest, currency, credit, liquidity or other price risks arising from these financial instruments except as otherwise disclosed.

Liquidity risk

The Organization's approach to managing liquidity risk is to ensure that it will have sufficient liquidity to meet liabilities when due. As at April 30, 2020, the Organization had a cash balance of \$334,850 (2019 - \$345,154) to settle accounts payable and accrued liabilities of \$38,775 (2019 - \$34,379). All of the Organization's financial liabilities have contractual maturities of less than 30 days and are subject to normal trade terms.

9. Environmental risk

As of March 2020, the effects of a global outbreak of COVID-19 (coronavirus) continues to rapidly evolve, which has had a significant impact on businesses through the restrictions put in place by the Canadian, provincial and municipal governments regarding travel, business operations and isolation/quarantine orders. At this time, it is unknown the extent of the impact the COVID-19 outbreak may have on the Organization as this will depend on future developments that are highly uncertain and that cannot be predicted with confidence. These uncertainties arise from the inability to predict the ultimate geographic spread of the disease, and the duration of the outbreak, including the duration of travel restrictions, business closures or disruptions, and quarantine/isolation measures that are currently, or may be put, in place by Canada and other countries to fight the virus. While the extent of the impact is unknown, this outbreak has caused school closures and placed limitations of individuals gathering, which has impacted the ability of the Organization to perform certain activities. Subsequent to year end, the Organization has started to provide certain services virtually to support its students.
